OC-0755-86  
14 August 1986

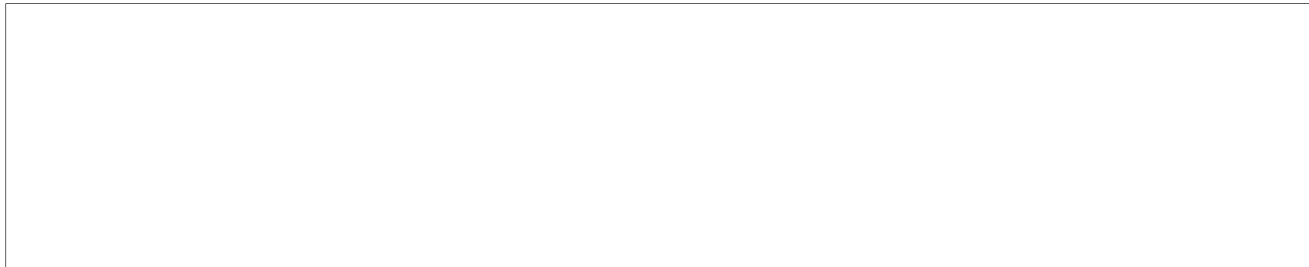

MEMORANDUM FOR: Deputy Director for Administration

25X1 FROM:

  
Director of Communications

SUBJECT: Weekly Report

25X1  
  
2. By request, OC has provided input to a Senior Intra-Agency Group Intelligence (SIG-I) committee chaired by retired Army General Richard Stillwell. The working group has been tasked to prepare a report on "Enhancing the Nation's Counterintelligence and Security Countermeasures" for the President and the Senate and House Intelligence Committees.

25X1  
  
5. During the reporting period, OC representatives held discussions with Colonel Withey from the Office of the Manager, National Communications System, concerning the high frequency (HF) "SHARES" Program. SHARES is a project whereby HF resources of Government entities are utilized for essential communications

during natural disasters or times of crisis. OC supports the program but specific OC resources will not be included in a soon to be published non-classified directory.

25X1

7. During the reporting period, an OC television production crew videotaped training segments on location at the Continental Telephone facility and the Headquarters telephone switchroom. The result of this effort will be an internal television training program on the use of the Headquarters non-secure telephone system.
